Regence health-focused plans

Coverage for the health of your employees and your business

We understand your employees are vital to the success of your company. Regence health plans are designed to provide the protection and support you and your employees need for a healthy future. Each plan features built-in wellness resources to encourage healthy lifestyles. Best of all, they're easy to administer.

Take the hassle out of managing your benefits

Regence provides robust employer resources and support, reducing the time, energy and effort it takes for you to manage your company's benefits. That leaves you more time to focus on running your business.

Employer Center

Employer center is your single source for information, questions, and resources regarding your account. With 24/7 secure access, you can:

- View and print benefit booklets and plan summaries
- Access administrative forms and support tools
- Download UpsideSM wellness program information and tools
- Access Health Care Services program fact sheets
- Research the latest health care industry information and reports

For groups 51+

- Quickly update employee benefit coverage
- Allow your employees to enroll themselves online
- Review, reconcile, and pay your bill in just minutes with eBilling

Help employees focus on wellness

With a Regence health plan, you can help your employees reach for a healthy lifestyle. All plans come with comprehensive wellness resources at no additional cost. **These programs are not insurance, but they are offered in addition to your medical plan to help your employees get information and support when they need it.**

Regence Advantages

Members-only discount program offers your employees savings from a number of nationally recognized, health-related companies.

Save with our extensive provider and pharmacy network

Regence membership also means access to Blue Plan providers across the country and around the world through the BlueCard[®] program. And it means integrated pharmacy benefit management through the award-winning RegenceRx[®] program—an industry leader that consistently outperforms other national Pharmacy Benefit Management (PBM) programs in service, network pricing, clinical management, and cost trend reduction.

Choose the right plan for your company

Your company is unique, and you should have a health plan that meets your group's specific needs. Our suite of plans are simple to manage with features and options that allow you to select the right mix of cost savings, coverage, and employee engagement.

Innova [®]	Engage [®]	HSA Healthplan 2.0 SM	Regence Activate SM
Innova is ideal for groups who want immediate access to care. Innova offers up-front benefits—including office visits and \$400 of outpatient lab and X-ray coverage—before the deductible is met. With Innova, you can customize your benefits including copay, coinsurance and deductible amounts based on your group's needs.	Engage is best for employers who seek simplicity in a health plan. It provides benefits in the form of a single coinsurance structure, giving employees open-door access to all providers and specialists. Engage is versatile; you can configure it to meet the needs of those seeking low out-of-pocket costs and comprehensive coverage, or those looking for safety net coverage and lower premiums.	HSA Healthplan 2.0 provides a comprehensive medical plan and a tax-free health savings account all rolled into one. You and your employees will enjoy the extensive benefits you've come to expect from a Regence health plan. Plus it's an easy way to save pre-tax dollars to pay for life's medical expenses.	Activate is for those who understand that their lifestyle choices have a direct impact on their health and their wallets. Activate is a revolutionary health plan that financially rewards employees for taking an active role in their health. It combines a high-deductible health plan with an online account that is funded by employees' healthy behaviors. By engaging in healthy activities, employees can earn funds to pay for medical expenses, including deductibles and coinsurance.
